

Outreach at Westside Park in Starkville

June 27

5:00 – 7:00 pm

On Sunday, June 27, a group of churches from around the Starkville and Oktibbeha area will gather at Westside Park/J. L. King Center for a time of prayer, outreach, food and fun. Adaton will be a part of this event.

If you can help, would you call or text me to let me know. My number is **228-297-9823**. We will meet at the church at 3:30 to load up and be at the park at 4:00 to set up.

Here are some ways you can help and serve!

1. **Evangelism Team.** I believe that there will be a lot of people coming to get ice cream, cotton candy or waiting in line for the inflatable and this will be a great time to engage individuals in a conversation with the intention of having a gospel conversation. Text me if you can help with this.
2. **Make homemade ice cream.** We need about 10 freezers (or more) of homemade ice cream. You can either make it and take it to the park to serve it or you can make it and bring it to the church by 3:30 pm and we will take it and serve it. FYI... after you make your ice cream, carefully pour off the water and then add more salt and ice and then wrap your freezer with some old towels. This will help the ice cream get harder until we serve it around 5:30 ish. Text me if you can help with this.
3. **Man the cotton candy machines.** We need volunteers to man the two cotton candy machines and hand out the cotton candy. Text me if you can help with this.
4. **Man the inflatable.** We will need several individuals to be at the inflatable for crowd control and make sure all kids have an opportunity to have fun. Text me if you can help with this.
5. **Set up team.** We need individuals to help set up a tailgate tent, the tables for the ice cream & cotton candy, and set up the inflatable. And then take it down and return it to the church.
6. **Load up and transport items to the park.** We will need help transporting tables, generators, inflatable, tailgate tent, extension cords, cups, spoons, napkins, and whatever else we may need. Be at the church at 3:30 if you can help or have a truck we can use. Text me if you can help with this.
7. **Audio Team.** Mo is bringing a sound system to play music and so he may need some help with this. Text me if you can help with this.

George Hartness is providing a generator for the cotton candy machines but we will need another generator for the blower on the inflatable and the sound system. Text me if you have a generator we can use.

This night will be a great time of fun and fellowship as well as opportunity to share the gospel. If you can help with any of this, please text or call me at **228-297-9823**.

**On this night, may God do “immeasurably more than all we ask or imagine,
according to His power at work in us....”**
